

Adelphi

The Adelphi chair is built on the popular Cabaret frame and uses a conventional winged back style with 3 fibre filled waterfall cushions.

The Adelphi has optional thoracic supports identical to the Cabaret model.

The Adelphi has the same frame dimensions and functions of the Cabaret chair including adjustable seat width, seat depth and arm height. The chair can be ordered with manual or electric controls of the Tilt in Space function, Legrest and Back Angle Recline.

The Adelphi can be ordered with optional Butterfly Back.
