

TITAN

Powerchair

“Featuring the new front wheel drive system for optimum manoeuvrability”

CE

The Titan Powerchair is perfect for users on the go as it can be disassembled, without tools, and loaded easily into a car for easy transportation. Its ultra-manoeuvrable and compact size makes it ideal for around the home and in busy shopping centres.

The front wheel drive Titan Powerchair is a comfortable and stylish option for users seeking a transportable power mobility product that's ideal for indoor and outdoor use. The Titan's front-wheel system positions the drive wheel forward of the user's centre of gravity, making the chair extremely stable and giving it great performance over small obstacles. The Titan is also great indoors, navigating tight, enclosed spaces with ease.
