

AQUATEC®
Orca^{NG}
Range

The Aquatec **Orca^{NG}** bath lifter has been designed to provide confidence whilst getting in and out of the bath. The sturdy seating platform allows you to simply sit down and lower yourself to enjoy a pleasant and relaxing bath. Once bathing is complete, the **Orca^{NG}** comfortably lifts you to the edge of the bath for a safe transfer to your feet. The **Orca^{NG}** has an impressive weight limit of 140kg (22 stone) as standard, while the **Orca^{NG} XL** will support individuals up to 170kg (26.5 stone).

Aquatec **Orca^{NG}**

Reclining backrest

- Quick release, floating hand control with integrated rechargeable battery.
- Self-release suction cups to allow quick removal from bath.
- Backrest recline up to 40° for comfortable bathing.
- Product Code: **1573866 - White covers**
- Product code: **1573876 - Blue covers**

Aquatec **Orca^{NG} F**

An upright bath lift with a fixed backrest, that offers support for those who prefer to bathe upright. The integrated head support of the high backrest ensures a safe and relaxing bath.

- Product code: **1573592 - White covers**

Aquatec **Orca^{NG} XL**

A more powerful bath lifter with maximum weight of **170 kg (26.5 stone)**.

The reinforced scissor mechanism combines safe lifting with a compact construction. Minimum seat height of just 60 mm; allows plenty of room for a deeper and more comfortable bath.

- Product code: **1573686 - White covers**

Features and Options

Base Plate

Carry handle for easy removal from the bath and storage.

Hand control hook

Convenient placement on the backrest.

Holes in base plate

To encourage drainage

Compact hand control with integral battery

Orca^{NG} bath lifts incorporate a revolutionary lightweight battery contained within the ergonomic hand control. Raised profile, coloured buttons and an emergency stop feature allow simple, controlled operation even to those with dexterity issues.

Safe hand control fitting

The hand control connects easily and within seconds to the back of the **Orca^{NG}**, providing a secure and completely watertight seal. Effortlessly released with just one hand.

Two-piece design

When pushed forward the **Orca^{NG}**'s backrest folds down and automatically unlocks. The backrest and base section can then be removed from the bath with ease. The 2 sections fit neatly into one another to give an extremely compact size for storage.

Textured seating surface

The **Orca^{NG}** has a textured surface allowing use without covers if desired. The side flaps are hinged flush to the main seating surface and allow comfortable and safe side transfers, without entrapment of skin.

Supported transfers

For those who require additional support during transfer, the **Aquatec Trans** allows an effortless slide onto the seat and swivel into the bath with the minimum of effort.

Refresh kit

To keep the **Orca^{NG}** looking it's best, a refresh kit is available which comprises of a full set of covers, oyster suction cups, side flap diverters and user guide.

Height adaptors

The **Orca^{NG}** can be adapted to suit a full range of bath heights. Height adaptors can be quickly fitted to the bath lift base.

Large oyster cups

The standard extra large oyster cups allow the **Orca^{NG}** to adhere to steeply curved and textured baths providing exceptional stability and safety. Smaller cups are available as an option.

Features and Options

Transport bag

A sturdy canvas bag with wheels for discreet transport and safe storage.

Non-slip cover mats

Cover mats are available in white or blue* and are easily removed for machine washing at 60°C.

* Blue **Orca^{NG}** only.

Fast Fit Pommel

A cost effective and easy to fit option (available in 70 mm and 120 mm diameter in blue colour only).

Easy to clean

The open, clean-cut design of the **Orca^{NG}** combined with smooth surfaces offers quick and easy cleaning.
