Ergo Lite 2

KM-2512

From only 8.7 kg

Our lightest self propel wheelchair yet!

KM-2512 F14

The KM-2512 is an ultra light wheelchair which weighs from just 8.7kg complete and breaks down to only 6.4kg (self propel version).

It is a durable, lightweight wheelchair which comes with Karma's patented S-Ergo seating system for enhanced comfort. The S-Ergo seat helps redistribute pressure and also helps stop the user sliding down the seat.

The removable swing in/out footrest hangers are convenient to use and allow the KM-2512 to collapse into a compact package.

The lowest transportation weight is only **6.4 kg** (without footrest hangers and rear wheels)

Swing in/out detachable footrest hangers

KM-2512 Q20
