

# Colt EXECUTIVE

## ADVANCED ENGINEERING FOR POWERFUL PERFORMANCE AND EXCEPTIONAL STYLE

### COLT EXECUTIVE

Bristling with high-performance features like full suspension, low-profile tyres and a hydraulic sealed brake system, the **Colt Executive** is a blend of power and precision. The Colt Executive features sleek style and a wealth of standard luxury touches like a wraparound delta tiller, new double A-arm suspension, new terrain gripping pneumatic tyres and LED lighting, making it the ultimate outdoor scooter.

- Rearview mirror standard
- Front shield standard

## Options

- Double crutch holder
- Oxygen tank holder
- Rear basket
- Additional rearview mirror

**NEW LCD console with speed sensor (standard)**

<sup>1</sup>Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition and tyre condition. This specification can be subject to a variance of +10%,-5%.

<sup>2</sup>Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+ or - 3%).

<sup>3</sup>AGM or gel cell type required.

<sup>4</sup>Battery weight may vary based on manufacturer.

<sup>5</sup>Includes standard seat.

NOTE: All specifications subject to change without notice.

The information contained herein is correct at the time of publication; due to the manufacturer's commitment to constant improvement and development, they reserve the right to alter specifications without prior notice. Theoretical range is calculated under test conditions in accordance with European standards. Actual range in normal use will depend on many factors, including the condition of the vehicle and its batteries, the weight of the driver, correct tyre pressure, ambient temperature, and the gradient and surface of the road or pavement.
