1 Seren

Days

The nimble Seren is an ultra-maneuvrable power chair which can be used both indoors and outdoors. Compact and agile, the Seren moves effortlessly around tight corners, so it's ideal in areas where space is limited.

The Seren uses a dynamic front-wheel drive system to give a superb non-stop driving performance. It has many adjustable features including armrest height, back width, seat width, seat height, seat depth and tension-adjustable backrest for maximum comfort and support.

The Seren also features front and rear suspension to ensure a smooth and safe ride, and a swivel seat to facilitate transfer on and off the chair. The Seren is fitted with a seat belt for extra security.
