

BELLAVITA

BathLift

bellavita

"A true bathing experience"

CE

This ultra modern bathlift takes the Bellavita away from an austere and clinical look and is more in keeping with today's requirements. Developed with the help of Nursing Professionals, it includes several excellent new features. Reaches a record seat height of 48cm. The lightest bathlift on the market at only 9.3kg. The backrest reclines to a market leading 50°. At 6cm the Bellavita is the lowest bathlift available.

This ultra modern bathlift takes the Bellavita away from an austere and clinical look and is more in keeping with today's requirements. Developed with the help of Nursing Professionals, it includes several excellent features...

Lightweight, fully waterproof floating hand control

The lightest bathlift on the market at only 9.3kg

For Those Who Require Their Bathlift To Be Feature Rich...

- » Gently lowers users at the touch of a button to bottom of bath for bathing and raises them to top for safely getting out.
- » Backrest reclines to a market leading 50° for added relaxation and comfort whilst in the bath.
- » Front cut out in seat improves access for personal hygiene.
- » Can be used with or without covers; washable hygienic covers are easily fitted / removed and provide extra comfort when bathing (available in White or Blue).
- » Lowest bathlift available at only 6cm (2") from the bottom of the bath allowing improved water immersion.
- » Record seat height of 48cm (19") enabling easy and safe transfers in and out of the bath.
- » Lightweight weighing only 9kg (21lb) for easier moving and handling.
- » Separates into 2 lightweight sections for ease of fitting / removal, storage and transportation.
- » Contoured frame gives a modern, aesthetically pleasing appearance to suit most bathrooms.
- » 4 quick release suction feet secure the lift in the bath safely.
- » Lightweight, fully waterproof and floatable hand control with light touch buttons is easily operated.
- » Hand control recharges quickly for convenience and multiple use environments.
- » Indicator lights signal when charging is required and built in safety feature prevents bathlift from lowering without sufficient charge to return it to top of bath.
- » Emergency stop button is incorporated into hand control for safety.
- » Lightweight plastic frame is easy to clean.
- » Easily fits into most baths.
- » Wide range of optional extras are available.
- » Warranty - Lifetime on frame & motor, 2 years on other components, 1 year on charger, cover set, suction feet and accessories.
