Feather **FOLD**

Elevate your everyday with the Feather mobility range

# Feather **FOLD**

Taking advantage of the latest technology, the Feather Fold shifts the benchmark of folding mobility scooters into a totally alternative reality. Practically anyone can lift this scooter into a car making it the perfect travel companion.

The beautiful and sleek design features a simple one-fold mechanism. A super comfortable seat with flip back arm rests guarantees complete stability and safety. Whether you are holidaying abroad, on a cruise, or in your local neighbourhood, a strong metal storage basket and bright front light ensures you are ready to tackle any adventure.

Features the latest removeable lithium battery technology with fast charging.
