

# Chester

The Chester with the supportive but comfort lateral supports offers the luxury in a padded back. The laterals gives you the support and offers that cushioned feeling along your back to relax in a central position, without the need for separate cushions.

## Size ranges:

- Seat Height 16 - 21"
- Seat Width 18 - 22"
- Seat Depth 16 - 22"

Repose offer a wide range of sizes, including larger sizes.

Your supplier will advise you on the size and weight combinations available.
