

Dash Carbon Pro Plus

The lightest carbon powerchair on the market

ONLY
10.8kg*

DASH™
BY RHEALTHCARE **REHAB**

Ultra lightweight

At just 10.8kg* the Dash Carbon Pro Plus stands out as the lightest carbon power chair on the market. Its carbon fibre construction offers an exceptional combination of high strength and minimal weight.

*EXCLUDING BATTERY AND CONTROLLER

Two year warranty

The Dash Carbon Pro Plus comes with a comprehensive two-year warranty, providing reliable protection, excellent support and peace of mind.

Super compact

The split motors on the Dash Carbon Pro Plus allows it to fold into an incredibly compact size. Coupled with its lightweight design makes it exceptionally easy to transport.
