HEALTHCARE

The **Manual Fold+** Scooter supersedes our current Manual Folding scooter and has been designed to provide several new features taking this manual fold scooter to the next level...

- + Weighs **ONLY 19.8kg\*\***  
(without armrests, cushions and batteries)
- + Larger battery pack providing a longer range
- + Easy to remove flip up armrests
- + Extra padded removable seat cushions
- + Grab handle within the seat base for easy and convenient handling, that's ideal for travelling and transportation
- + Stylish new design

The **Manual Fold+** Scooter can be folded or unfolded in seconds.
